

## DNA TESTING FOR IMMIGRATION

DNA testing may be used to verify a biological relationship between individuals and is often used to support an application to immigrate to Canada. Wyndham Forensic Group is accredited by the Standards Council of Canada (SCC) and is recognised by Citizenship and Immigration Canada (CIC) to perform DNA testing for immigration purposes.

### PROCEDURE

1. Contact Wyndham Forensic Group to discuss your particular requirements and the associated fees:  
[info@wyndhamforensic.ca](mailto:info@wyndhamforensic.ca) or telephone **519-822-9344** or **1-855-278-4377 (toll free)**.
2. Provide a copy of the letter from CIC stating which relationship(s) is/are to be verified and the contact information of all participants to be tested.
3. Remit your payment.
4. Wyndham Forensic Group will notify the appropriate CIC office or Embassy to advise them that testing is in process and will facilitate the collections for each participant (in Canada or abroad). You will be advised of specific instructions for each collection (as different Embassies/Consulates have different requirements).
5. DNA samples will be collected from each applicant and will be forwarded with a chain of custody to our facility to perform the testing.
6. The test results will be provided to you (and/or your legal representative) and the appropriate CIC office within 3 to 5 days of all samples arriving at our laboratory.
